Every attempt will be made to give each Scout his first and second choices in Merit Badges. The sooner your Troop registers with payment, the better the chances of this happening before Merit Badges fill up. Each Troop will be notified of the scouts Merit Badge choices one month before the event. The pre-requisites that each Scout needs to bring with him are at the link at the bottom of the page. If a Scout does not complete his pre-requisites before hand, he may only be able to get a partial.
